Floyd Rose  
2727 NE 145TH ST.  
Seattle, WA 98155

Thank you for inquiring about the Rose Tremolo System.

As you may have heard, the Rose Tremolo System is the first tremolo system that enables the use of a tremolo bar without changing the guitars tuning; this system is now being used by many major acts.

Due to the complication of installation, this tremolo system is only available by making special arrangements for purchase and installation "by telephone."

The price of this system installed on your guitar is:

\$350.00	System & Installation
<u>18.55</u>	Tax (Wash. state only)
\$368.55	Total (Excluding shipping)

Note: This system is not limited to "STRATOCASTERS"

like to contact us.  
Thank-you
